

PICTOGRAMAS POR CAMPOS SEMÁNTICOS.

TALLER DE AGRARIA.

Sugerencias:

- No cambiar el tamaño de las cuadrículas.
- Recortar por la línea mas ancha de los bordes.
- Poner contra con folios de colores (tamaño de la contra 6´4 x 9´1)
- Plastificar. La medidas están tomadas para aprovechar un plástico A4 al máximo y que de muy visual.

Este material ha sido elaborado por Abel C. Serrano.
